The main illustration shows a worker in a white shirt and mask, a woman, and a child. Below the illustration, there is a green box with the text "What can lead poisoning do to my child?" and a green arrow pointing to a child. The bottom of the brochure has a green box with the text "What can lead poisoning do to my child?" and a green arrow pointing to a child.</p>
<b>Protect Your Family from Lead on the Job</b>	<p>Card 5.5" x 8.5"</p> <p>Describes ways to protect your family from the lead dust you could bring home from work</p>	<p>English, Spanish</p>	<p>The image shows the cover of a card titled "Protect Your Family from Lead on the Job". It features a red header with the title in white and black text. Below the title, there is a red box with the text "Your child can get lead poisoning if someone in your home works with lead at their job. You cannot see the lead, but a worker can bring lead home on their hands, face, work clothes, shoes, and in a car." Below the text, there are three circular illustrations: a worker in a white shirt and mask, a woman, and a child. Below the illustrations, there is a red box with the text "If someone in your home works with lead, they should:" and a list of instructions: "change into clean clothes and shoes at work, before getting into a car or going home. All clothes, hats, and shoes should be kept in a plastic bag.", "wash their face and hands with soap and warm water at work before going home, and take a shower as soon as they get home.", "wash work clothes separate from all other clothes. Keep work shoes outside the house."</p>
